<p><b>PROPOSED CHARITY RUN</b></p> <p>Gill Cameron is planning a gin/cider/wine run to fundraise for Jamie MacDonald's Superhero Foundation. 5K with drinks every 1K. £12, approx. 40 people, King George V.</p>	
<p><b>CLUB NIGHTS</b></p> <p>Club nights are becoming disjointed due to fast growth and various groups splitting off eg. BTS, marathon training</p> <p>We discussed bringing back leapfrog as it keeps everyone together, and reinforcing runbacks on a Thursday.</p> <p>It was agreed that we will no longer use pace groups, and only have distance options with runbacks to keep the mixed pace group together.</p> <p>Splinter groups to use different start time or location – 7pm at Green Lane on Tuesdays and 7pm at Tesco on Thursday are for club sessions only</p> <p>We will meet at the start of September to discuss the winter schedule. Current thoughts are to run Thursday intervals as well as the Abbotswood 10k.</p>	<p><b>Paul to chase up the business park regarding permission to run there for Thursday intervals in winter</b></p>
<p><b>LIRFS</b></p> <p>We need to use LIRFS as best we can to justify investment. We currently have 10 weeks with no volunteers on the rota and we need to ensure 1 LIRF per week for insurance reasons. On sessions with multiple groups, we require LIRF to give welcome/run brief which will cover insurance requirements for all runners. This person doesn't necessarily have to lead.</p> <p>Jason Mather will mentor LIRFS for the next 8 weeks.</p>	<p><b>LIRFS to check rota spreadsheet and add names</b></p> <p><b>Paul to make rota more obvious</b></p> <p><b>Lucy to update website with LIRF page</b></p>

<p>C25K</p> <p>Sam Quinell is going to run a slower paced C25k and Natalie is running one in the day time aimed at school parents, both in September.</p> <p>We will consider organising a special event for graduates in order to welcome them to the club on the Tuesday after their graduation</p> <p>Jason Mather is organising a 5-10k group which will run after every C25K. The next date for this will potentially be end of Nov.</p>	
<p>5K handicap</p> <p>Sarah Jones has offered to take over the handicap organisation from Neil C. Next date will be Thursday 1<sup>st</sup> august with sessions to follow in November, February and May.</p>	<p><b>Sarah J to message Neil</b></p>
<p>BTS</p> <p>BTS sessions will run on Wednesday for the remainder of the competition. Events will be kept separate on facebook.</p> <p>There was discussion over which school we will award the vouchers to should we win. Hillview, Abbeymead and Dinglewell (infants and juniors) were all proposed. It was suggested that we could split the vouchers, or run a facebook poll to decide as a group. We have decided to make the decision after the result is known.</p>	
<p>Finance</p> <p>We have £140 left in cash after the summer party and £90 in the social account. We discussed what to do with this and the decision was made to make this club money.</p>	
<p>Fundraising</p> <p>Gill has raised £803 for the superhero foundation. Gill will announce a grand total at the end of the year but will make donations throughout the year as the money is raised.</p>	
<p>Social</p> <p>We have decided not to have a summer party in future years due to low attendance.</p>	<p><b>Matt to organise monthly socials</b></p>

<p>There is a large interest in monthly socials after club runs.</p>

<p>The DJ and venue are both booked for Christmas. Food and awards still need to be organised. It is suggested that the committee should make nominations for categories and put these out to the wider club for a final vote.</p>
